Subject: One-time Special Distribution per SEA 67

On Thursday April 21, 2016 the State processed supplemental distributions to each county having a positive balance in the county's trust account as of December 31, 2014. This distribution will be deposited in the county's designated bank account on Monday, April 25, 2016. This distribution is made pursuant IC 6-3.6-9-17.

---

This distribution must be allocated and distributed before June 1, 2016 to taxing units as designated by the distribution amounts found on the Department of Local Government's (DLGF's) web site: <http://in.gov/dlgf/9517.htm>. A copy of each county's total distribution is also included as an attachment with this memo.

At least 75% of the money allocated and distributed to a county's, city's, or town's fiscal body must be used exclusively for infrastructure as specified in I.C. 6-3.6-9-17(h)(1)(A), or deposited into the county's, city's, or town's rainy day fund established under IC 36-1-8-5.1. The remaining part of the one-time supplemental distribution may be used by the county, city, or town for any of the purposes of the county, city, or town. The amount received by a taxing unit that is not a county, city, or town shall be deposited in the taxing unit's rainy day fund established under IC 36-1-8-5.1. Per the Indiana State Board of Accounts, fund number 7315, titled LOIT 2016 Special Distribution, should be created to receive these funds. The Indiana State Board of Accounts is providing a separate memo on accounting for this supplemental distribution.

Please provide the above instructions to the taxing units receiving this distribution.
